## WHAT WONDROUS LOVE IS THIS

There is an old saying that "March comes in like a lion, out like a lamb." In essence, it recognizes that March is that month during which the cold darkness of winter gives way to the first hint of spring. There is moistness in the air. Tulips and daffodils and crocuses began to poke their heads up through the soil. Spring rains bring needed nutrients to the soil. Where once there was the appearance of death, there is now the emergence of new life!

We go through a similar kind of transformation through our worship services during March. We begin in the midst of Lent. The sounds of Ash Wednesday still echo with the words, "Remember that you are dust and to dust you shall return." Lent is introspective, often somber, reserved, and penitent.

The Lenten journey takes us from the wilderness to the gates of Jerusalem where the observance of Holy Week begins. We listen to the shouts of "hallelujah" by the adoring crowds. We hear the words of Jesus at the last supper, preparing the disciples for his departure. We hear the political and religious elite utter threats of heresy and sedition against Jesus. We follow Jesus to Golgotha and watch him die like a common criminal on the cross. We weep with others as he is buried in a borrowed tomb.

Next comes three days of waiting and wondering what will happen next. After three days, we follow the women as they discover an empty tomb. They are told that Jesus is not there – that he has risen. We see them run to tell the others. It takes a while for all of this to sink in. Yet there in the garden stands Jesus, full of life and love, almost as if the week we call holy was only a nightmare.

I look forward to the journey that we take together from Palm Sunday to Easter. It is full of drama. There is a mixture of emotions. However, the one thing that holds it all together is God's love for us. God seeks to bring us new life.

One of my favorite Holy Week hymns is "What Wondrous Love is this?" It begins with these words:

*What wondrous love is this, o my soul, o my soul. What wondrous love is this?  
What wondrous love is this that caused the Lord of bliss,  
to bear the dreadful curse for my soul, for my soul, to bear the dreadful curse  
for my soul?*

In words that are simple and clear, this hymn captures the essence of the spiritual journey we take in March. It is a journey towards the Lord of bliss, whose love for us is beyond all human understanding. He brings us the promise of everlasting life. Let us journey together!

## **The Praise Team Needs You!**

Having bid our fondest farewell and Godspeed to Phyllis, the Praise Team will be looking for a new team leader in the weeks and months ahead. Meanwhile, the spirit of worship at Grace will continue — and we need you!

First, pray for the team and its spirit and leadership. If you feel called to be a leader, or know of someone we ought to call, please let us know. Contact Julie Rick at [julierick1204@gmail.com](mailto:julierick1204@gmail.com), or reach out to Jon Vold [javold@aol.com](mailto:javold@aol.com), 847/791-8653 or anyone on council.

But consider being a part of the team, too. Yes, you can stand up with Joanne, Pam, Jodi, Michelle, Julie and Tom on Sundays, and new voices and talents are always welcome, but we are also looking for help in any of the following areas:

*Setting up the audio/visuals*

*Running the Powerpoint*

*Checking the mikes*

*Choosing the songs we sing*

*Finding new video presentations*

*Sending in photos from Grace events*

*Adding your voices!*

*If you* have talents to share or a willingness to learn...

*If you* want a new worship experience, or a new song to sing...

*If you've* ever noticed that it is easier to sing when there are voices around you, or words up on the screen...

*If you* know you can't do it all, but maybe can do a small part...

Then we want ***you!*** Come, and be a part of the team! With thanks and praise,

- Jon Vold, for the Council

- Julie Rick for the Praise Team

**PLEASE CONSIDER USHERING** - We are looking for more ushers for Sunday morning services. We are putting together the ushering team schedule for April through March of new year and could use more volunteers. You would be put onto an existing team and have the opportunity to get to know your team and other members of the congregation as you greet them on Sunday mornings. It is a great way to serve the Lord during your Sunday morning worship. Please contact Craig Schander at 847/549-6605 or via e-mail at [cnb252000@gmail.com](mailto:cnb252000@gmail.com) with questions or to sign up for the 8:30 or 10:00 service or you can leave word with LuAnn in the church office.

*As People of the Resurrection*

## THE JOURNEY CONTINUES

The theme for the Lenten season is Living Lent as People of the Resurrection. Each week we focus on a particular word that describes the experience of living as people of the resurrection. Thus far our words have been:

February 10: Ash Wednesday:	<b>PONDER</b>	We examine our relationship with God.
February 17: Lent 1	<b>PURPOSE</b>	We discover that all have a purpose in God's kingdom.
February 24: Lent 2	<b>PEOPLE</b>	We remember that God's love is for all people.
March 2: Lent 3	<b>PROCLAIM</b>	We proclaim the news that brings life to faith.

*This journey will continue throughout March as we reflect upon the following:*

March 9: Lent 4	<b>PRAISE</b>	We are called to celebrate the love of God.
March 16: Lent 5	<b>PAIN</b>	We understand the pain of rejection.
March 20: Palm Sunday	<b>PALMS</b>	We welcome the King of Glory with palms in our hands.
March 24: Maundy Thursday	<b>PRAYER</b>	We watch as Jesus prays in anguish.
March 25: Good Friday	<b>PASSION</b>	We witness the passion and Christ's death.
March 27: Easter Sunday	<b>PARADISE</b>	We celebrate that paradise is ours through the resurrection of Christ.

**SOUP SUPPERS** continue on Wednesday nights March 2, 9, and 16 before the Lenten Vesper Services. Soup is served from 6:15 to 6:45. We are very fortunate to have these panels on display at the former Fould's Pasta Factory located at 360 2nd street in Libertyville. **OUTREACH UPDATE . . .** On Sunday, February 14th, a new member breakfast was held. Not all new members could attend. A majority of the Church Council was on hand to meet prospective new members along with many volunteers who served breakfast and contributed home made deserts. My wife, Pauline Peterson, Kay Kietzer, Micky Alkire, Mary Peron, and Jen Knutson also contributed in making this occasion very successful. Pastor Kelly gave everyone a wonderful history of the Lutheran background which was very informative.

The following Sunday, our New Members were officially received and a small reception marked the occasion. Thank you to everyone who helped make it possible for this special occasion.

## Treasurer's Commentary about 2015 Actual and 2016 Budgeted Financials

Our 2015 financial results turned out to be much better than expected. We began last year with great concern about what our transition period would mean for our financial well-being and forecasted a meaningful deficit in our Net Income. Fortunately, higher than anticipated congregational giving and lower Expenses led to positive 2015 Net Income of more than \$26,000, alleviating that concern.

Turning to 2016, it is important for all of us to know that our Expenses in future years are going to be higher than they have typically been in past years. Relative to 2015, we are projecting Expenses to be 10% higher. This new cost "baseline" is driven by several factors – all positive for our church - which were discussed and approved at our January 31<sup>st</sup> Budget Meeting:

*Higher compensation for our Pastor than in past years:* In addition to what appear to be permanently higher medical insurance costs, we have increased the budgeted housing allowance for our Pastor. Our hope is that our permanent Pastor can reside in and become an ambassador for Grace Lutheran Church in the greater Libertyville community, which has a higher cost of living than communities further away. To facilitate that, we have budgeted a housing allowance at a level that is 75% of the average cost of living in Libertyville.

*Building our staff to ensure we have impactful worship, Christian education, and fellowship programs, for members and guests of all ages:* Detailed scoping of roles and job descriptions is still underway, but we have budgeted for a new Relational Ministries Director, who will be responsible for adult and youth (confirmation/high school) programs. In addition to this position, we anticipate the continuation of the part-time Director of Children's Ministries role.

*Increasing our reserves for Building and Property:* We want to ensure that we have adequate cash reserves for anticipated and unanticipated building maintenance costs in the future, e.g., eventual sanctuary roof replacement. In pursuit of that goal, we are increasing the amount that we are putting into B&P Revolving accounts. What this means, in essence, is that we are taking a larger amount of cash each month and earmarking it for future use. This amount is reflected as an expense on our Income Statement today, as opposed to in the future when the cash is used for these projects. An important benefit of this approach is that we will be in a better position to fund large future maintenance projects without having to deplete our operating cash or increase the mortgage.

So, what does this mean for the congregation? The implication of this higher Expense base is that we need more new members and increased giving from current members. Using a simplifying assumption that membership remains constant, if everyone who contributed financially during 2015 increases their giving by 6.5%, we will cover our forecasted Expenses in 2016. We do not ask for annual pledges at Grace Lutheran, nor do we have any plans to do so. We only ask that you consider the financial resources necessary to fulfill and achieve our vision of Building Relationships, Growing Spiritually, and Reaching Out, and give from your heart as you are able.

In His Name,

Tory Ramaker, Treasurer
